The Boys & Girls Clubs of Gloucester County

Greetings

My name is Patti Withington and I have the distinct honor of leading The Boys and Girls Clubs of Gloucester County. We exist to help our Gloucester County youth succeed in their family, community and school activities so they can be our next generation of leaders. Many of our children and their families have very limited resources and opportunities to explore the world.

The Boys and Girls Clubs of Gloucester County saves and enhances the lives of over 1,000 youth, ages 5-18, annually through our targeted after-school and summer camp programs at our Paulsboro and Glassboro Centers. Parents have a reputable and affordable childcare solution to turn to and their children are provided a hot meal daily. Our Clubs members have lots of fun while achieving academic success, building good character, citizenship skills and adopting a healthy lifestyle. On average, is costs us $4,000 annually to support just one child.

The Youth of the Year program is just one of the many programs that we offer. It is the highest achievement a club member can attain and is our effort to shape a new generation of leaders fully prepared to live, lead, and succeed in the world economy of today.

Your sponsorship helps those who have overcome obstacles in their lives and prospered on to lead, succeed and inspire. Extending your support and getting involved with our Youth of the Year event gives you the opportunity to be a part of grooming these children into the future business leaders you hope to see running your company one day, and allows you to aid children from different backgrounds with their future career development.

I ask that you join me in celebrating our youth’s accomplishments by sponsoring and attending our inaugural Youth of the Year Celebration event, which helps us raise money so that we can continue creating future Youth Leaders! Your support and involvement is your opportunity to be at the forefront of developing and inspiring our youth to become our up and coming talent ecosystem! Don’t miss this opportunity to be a part of molding the future. Great futures start here, help launch a child’s career.

Respectfully,

Patricia Withington
President & CEO, Boys and Girls Clubs of Gloucester County
The Boys & Girls Clubs of Gloucester County
